

Tina

Printed Photos

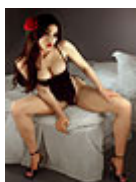

This is the ONLY place, worldwide, these photo prints are available for sale.

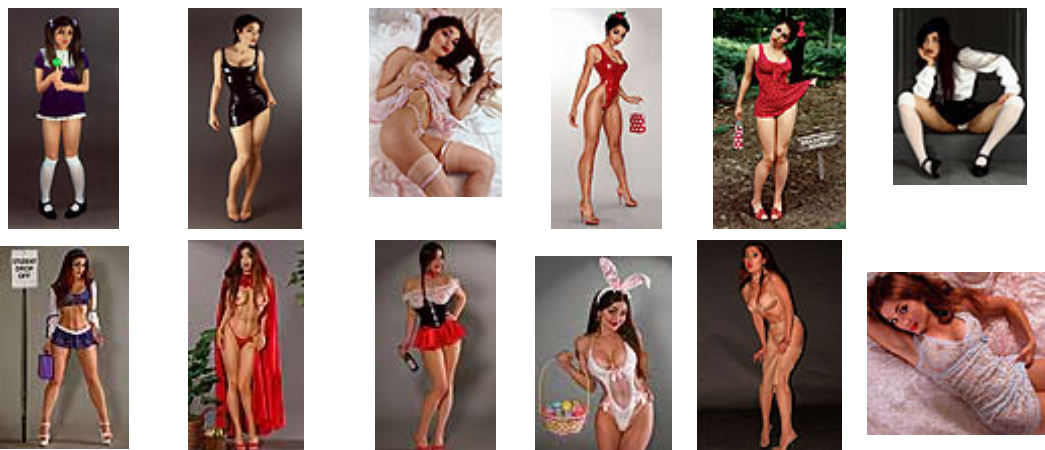

Mike first met Tina in 1998 at a trade show and was immediately charmed. Tina is a petite 5'2" , beauty with a gymnast's body (albeit with a non-gymnast's bust line) and a breathtakingly lovely and exotic face. Mike sometimes hired Tina to accompany him behind trade show tables. There, he found others falling in love with her bubbly persona just as he had. A fantastic, beautiful, hard-working model, Tina has apparently moved on to non-modeling work. We miss her dearly, but at least we have this wonderful record of her time at the studio.
